1. Introduction to the Company

a. Company History

STATUS WATERPROOFING has been in business for over seven (7) years and their success rate in this industry, Residential & Commercial Industry, speaks for itself.

With the continues research they did on the products they use in the industry, the business has grown so much that they are in a position to provide a 7-10 year guarantee on their workmanship.

The owner & director of STATUS WATERPROOFING is Mr O V Binda.

The business is also fully insured against any third party claims if any unforeseen incidents happen.

With the excellent track record they have built up over the years and the happy and satisfied customers; Status Waterproofing is the correct business partner to do business with. They guarantee to make a success of each and every project they do.

b. What the company does

The company has taken the stand to grow continuously with the market as well as with their client base and they render the following products & services:

- Water Proofing & Roof Leaks
- Damp Proofing & all Painting works
- Wall & Floor Tiling
- Installations of Ceilings
- All Plumbing Services
- Maintenance of Buildings
- Cleaning of Construction sites
- Installations of IBR Roofs & Corrugated Iron Roofs
- Concrete Roofs & Construction of Balconies
- Tanking and Tile Roof Construction
- Valleys, Flashings & Cement Reservoirs
- Building of Fish ponds and painting of it

STATUS WATERPROOFING prides themselves in the way they do business and with their day to day management of it.

Mr O V Binda believes to treat each and every employee with respect and he follows a hands-on approach in the day to day running of the business.

He also has a well-equipped management team which consist of him-self and a supervisor that manage the team, to make sure that each and every project receives the necessary attention and is successfully managed.

With the years of experience they have in the building & construction industry work is being undertaken nationally.

2. Strategy & Vision

a. Vision Statement

STATUS WATERPROOFING wants to be the preferred service provider in the Residential & Commercial Industries.

They want to achieve this by providing high quality products & services that will exceed the expectations of their clients and stay competitively priced.

b. Mission Statement

To reach their *Vision* of becoming the preferred service provider, they have made it their *Mission* to focus on leadership and customer service.

The company wants to always innovate and they want to have good support structures in place to manage the changes as well as cultures in the organisation.

By maintaining good standards, providing quality products and services (that are of high quality) and doing continuous research on what is happening in the industry will help them to be able to stay competitive.

c. Values

The company believes that when they treat customers with respect and provide in their needs they will come back continuously and this will then help them to grow long term relationships with them.

Adding creativity, invention and innovation, will also give them that competitive edge over their competitors.

They integrate honesty, integrity and business ethics into all aspects of their business functioning.

STATUS WATERPROOFING sees their employees as a key asset to their business, not only to create wealth for the business, but also for the employees.

Empowerment is also promoted through skills transfer.

d. Business Goals

To always find the best ways to optimize their operations and procedures so that the client will benefit and get the best quality of services and products in the shortest time period.

e. Growth Strategy

STATUS WATERPROOFING has made it their strategy to grow with the industry, so that they will be able to stay on top and stay competitive.

They also want to acquire more clients and contracts and expand their footprint even more across South Africa.

To implement this strategy of growth they rely heavily on word of mouth from their previous clients and the strong marketing plan they have in place to market their business and the services they provide.

3. Products & Services

a. STATUS WATERPROOFING specialises in the following products and services:

- Water Proofing & Roof Leaks
- Damp Proofing & all Painting works
- Wall & Floor Tiling
- Installations of Ceilings
- All Plumbing Services
